

If you go west on Zia from St. Francis  
 Turn Right @ the second Iron fence entrance  
 Turn Right @ the first "drive way" and  
 Park along the Building where the woodshop is.  
 Enter the wood shop through the "people" door, if  
 the Big roll-up doors are not open.  
 Look at Google Satellite/Earth - the big white curved roof is  
 where the wood shop is located → at the south end.
